 The nearest railway station is Northfield, however if you are travelling by rail we recommend leaving the train at Selly Oak. On leaving the entrance to the station car park turn left and walk up the hill. You will pass a row of shops on your left. Continue straight on, across Oak Tree Lane, and the 21 bus stop is shortly after this junction. The bus stops opposite Newman University College.
 For information on train operators and times phone National Rail Enquiries on 0845 7484950.
-  **By Air**, Birmingham International Airport.
 Approximately 45 minutes drive away.
-  **By Car**.
 If you are using Sat Nav and approaching from Cromwell Lane, some Sat Nav systems direct you away from Cromwell Lane if following the postcode. This will take you away from the main entrance. If you are approaching from Adams Hill do not turn left on to Jiggins Lane, but continue past the students' car park and turn on to Cromwell Lane for the main entrance.
