If you do not have any offers, or have recently decided to start university this September, Clearing is the system whereby you can identify and apply to university courses with vacancies. Over 70,000 students successfully secured places through clearing last year, with an increasing number being late decisions to apply to university.

## HOW CLEARING WORKS:

### APPLYING DIRECTLY TO NEWMAN UNIVERSITY THROUGH CLEARING

1. Contact us, by phone on 0121 476 118; via LiveChat on our website; direct message us via Facebook, Twitter or WhatsApp.
2. We can give you more information about the course you are interested in and make a provisional decision on offering you a place, subject to you meeting the entry requirements for your chosen course and the verification of your qualifications.
3. If we offer you a place, you will need to send copies of your certificates to **clearing@newman.ac.uk** and once we have verified these, we will send you a confirmed offer.
4. Once you receive this, officially accept this offer directly via email to **clearing@newman.ac.uk**
5. You will receive an official letter from Admissions at Newman confirming your place. Newman will then send you Welcome Week details including enrolment times and dates, before the start of the course.
