University  
BIRMINGHAM

Open Day  
Sat 12 March

10.00am – 3.00pm

# Subject Areas

Our Open Days are centred around a 'drop in' style with academics from all of our subject areas available on the day to talk to you about our courses, your options for study at Newman, find out which pathway would be right for you and answer any questions you may have.

When you arrive on campus we'll let you know where all of the subject academics are and you can go and speak to them at your leisure. Remember though that as a drop-in service you'll be seen on a first come first served basis so may have to wait a short time to speak to some of our academics.
