Clearing 2022

#choosenewman

If you do not have any offers, or have recently decided to start university this September, Clearing is the system whereby you can identify and apply to university courses with vacancies.

Over 70,000 students successfully secured places through Clearing last year, with an increasing number being late decisions to apply to university.

How clearing works:

APPLYING DIRECTLY TO NEWMAN UNIVERSITY

1. Contact us by phone on 0121 476 1181; via LiveChat on our website; direct message us via Facebook, Instagram, Twitter or WhatsApp.
2. We will give you more information about the course you are interested in and make a provisional decision on offering you a place, subject to you meeting the entry requirements for your chosen course and the verification of your qualifications.
3. If we offer you a place, you will need to send copies of your certificates to **admissions@newman.ac.uk** and once we have verified these, we will send you a confirmed offer.
4. On receiving your confirmed offer, you must then accept it via email - **admissions@newman.ac.uk**
5. You will then receive an official letter from Admissions at Newman confirming your place. We will then send you Welcome Week details including enrolment times and dates, and look forward to welcoming you to the university community before the start of the course.

Applying via your UCAS Account to Newman University

1

Contact us, by phone on 0121 476 1181; via LiveChat on our website; direct message us via Facebook, Instagram, Twitter or WhatsApp.

2

We will give you more information about the course and make a decision on offering you a place with reference to your exam results. If we offer you a place, you will need to officially accept this online using **UCAS**.

3

Log on to **UCAS** and click '**Add Clearing Choice**' and enter the required details including Newman code - **N36**, and the **course code**.

4

UCAS will then notify us that the details above have been entered. Once checked, the confirmation of acceptance by Newman will be displayed in the Choices section.

5

You will receive an official letter from UCAS confirming your place. Newman will then send you Welcome Week details including enrolment times and dates, before the start of the course.
