Clearing 2023

#choosenewman

If you do not have any offers, or have recently decided to start university this September, Clearing is the system whereby you can identify and apply to university courses with vacancies.

Over 33,000 students successfully secured places through Clearing last year, with an increasing number being late decisions to apply to university.

How clearing works:

APPLYING DIRECTLY TO NEWMAN UNIVERSITY

1. Contact us by phone on 0121 476 1181; via LiveChat on our website; direct message us via Facebook, Instagram, Twitter or WhatsApp.
2. We will give you more information about the course you are interested in and make you an offer of a place on this course; subject to you meeting the Clearing entry requirements.
3. Once we offer you a place, you will need to send copies of your certificates to **admissions@newman.ac.uk** and on verification, confirm our offer to you.
4. Accept your confirmed offer via email to **admissions@newman.ac.uk**
You will then receive an official letter confirming your place.
5. We will then send you Welcome Week details, ready for you to enrol and start your course in September.

Applying via your UCAS Account to Newman University

1

Contact us by phone on 0121 476 1181; via LiveChat on our website; direct message us via Facebook, Instagram, Twitter or WhatsApp.

2

We will give you more information about the course and Newman and offer you a place on the course of your choice, if we have a place available and you meet the entry requirements.

3

You then accept this place online via your **UCAS** account by logging on to **UCAS** and clicking '**Add Clearing Choice**' and entering the required details.

4

UCAS notify us that you have added your course at Newman as your clearing choice; which will be checked and displayed in your Choices section.

5

You will receive an official letter from UCAS confirming your place. Newman will then send you Welcome Week details including enrolment times and dates.

Contact Newman University now to secure your place*
